

**LOADALL** | COMPACT RANGE

**JCB**

**STAGE V**

GROSS POWER  
**19kW - 55kW**

LIFT CAPACITY  
**1600kg - 2500kg**

LIFT HEIGHT  
**4m - 6m**

# ULTIMATE PRODUCTIVITY.

The compact Loadall range provides powerful performance and versatility with excellent manoeuvrability, whilst making the most of every drop of fuel.

## MAXIMUM MANOEUVRABILITY

A compact wheelbase and tight steering lock angles ensure excellent manoeuvrability in tight spaces.

# ULTIMATE STRENGTH.

We've used innovative, state-of-the-art design and manufacturing processes to ensure that strength, durability and reliability are built in.

## EXCEPTIONAL DURABILITY

Through rigorous testing and validation programs JCB Loadalls are built to last.

## ULTIMATE COMFORT.

JCB compact Loadall cabs are great places to work, with high levels of comfort, easy-to-use controls and good visibility, keeping operators productive.

## MAXIMUM CONTROL

Single-lever joystick controls with proportional auxiliaries are easy to use for precise control.

# ULTIMATE EFFICIENCY.

The compact Loadall range offers extremely low operational costs in the short term, whilst holding their value in the long term.

## MAXIMUM RESALE

Our continued innovation in all areas of design and build keep resale values healthy.

## ULTIMATE SAFETY.

Safety is paramount on any site. That's why we've designed the new JCB compact range to protect machine, operator and bystanders alike.

## MAXIMUM SECURITY

Our Adaptive Load Control system automatically prevents machines from tipping forward during heavy load handling.

# LOADALL | COMPACT RANGE

## SPECIFICATION.

MODEL RANGE	516-40	520-40	525-60 HI-VIZ
Lift height	4m	4m	6m
Lift capacity	1600kg	2000kg	2500kg
Maximum engine power	19kW	19kW	55kW
Maximum speed	15kph	15kph	20kph
Lift capacity @ full height	1600kg	2000kg	2000kg
Lift capacity @ full reach	700kg	900kg	750kg
Reach with 1 tonne payload	1.93m	2.1m	3m

## STANDARD FEATURES.

- Stage V compliant engine
- No complex aftertreatment or emission control systems
- Permanent 4-wheel drive
- 4-wheel steering as standard
- LiveLink
- Wide range of carriage options available
- Ultra compact design
- Variable hydrostatic transmission
