

**SERIES III AGRI LOADALL | TELEHANDLER RANGE**

**JCB**

**STAGE V**

MAX SPEED  
**40kph**

MAX POWER  
**150hp/112kW**

MAX TORQUE  
**600Nm**

## OUR BEST CAB EVER.

Our all-new CommandPlus cab provides operators with the best-in-class cab space, noise level and all-round visibility, plus our command driving position.

### BEST-IN-CLASS VISIBILITY

Industry-leading visibility with new seamless one-piece, multi curved glazing, increasing front visibility by 14%.

# OUR BEST PRODUCTIVITY.

Our latest Agri Loadalls come with increased lifting performance across the entire range, providing unparalleled efficiency and productivity.

## A REVOLUTIONARY TRANSMISSION

Our award-winning DualTech Variable Transmission is now available on AGRI Super and AGRI Xtra models.

# OUR BEST FUEL EFFICIENCY.

We've designed the JCB Agri Loadall range to offer superior return on investment, with greater fuel efficiency and unbeatable resale value.

## MAXIMUM EFFICIENCY

All DieselMAX engines have a variable speed cooling fan that reacts to ambient temperatures and automatically reverses, keeping the cooling pack clean.

# OUR BEST STRUCTURES.

All our Agri Loadalls are designed and built to be as tough as possible, using only high quality components and innovative manufacturing processes.

## TOUGH BOOM DESIGN

Ultimate strength and durability is assured with large boom overlaps of over 1m.

# OUR BEST SAFETY FEATURES.

JCB Agri Loadalls have many safety features to help guard against accidents. A high level of security technology also provides greater peace of mind.

## BETTER ALL-ROUND VISIBILITY

LED work lights to the front, rear, boom and hitch, optimise visibility in dark conditions.

## SPECIFICATION.

MODEL	532-60	532-70	536-95	538-60	542-70	560-80
Lift height	6.22m	7m	9.49m	6.23m	7.01m	7.9m
Lift capacities	3200kg	3200kg	3600kg	3800kg	4200kg	6000kg
Maximum engine power	130hp / 97kw	150hp / 112kw	150hp / 112kw	150hp / 112kw	150hp / 112kw	150hp / 112kw
Maximum speed	40kph	40kph	40kph	40kph	40kph	40kph
Lift capacity at full height	3200kg	2750kg	2000kg	3800kg	2750kg	3000kg
Lift capacity at full reach	1400kg	1675kg	575kg	1550kg	1675kg	1750kg
Forward reach at max height	0.87m	0.48m	2.43m	0.87m	0.48m	0.92m
Reach with 1 tonne payload	3.33m	3.72m	5.09m	3.34m	3.73m	4.48m

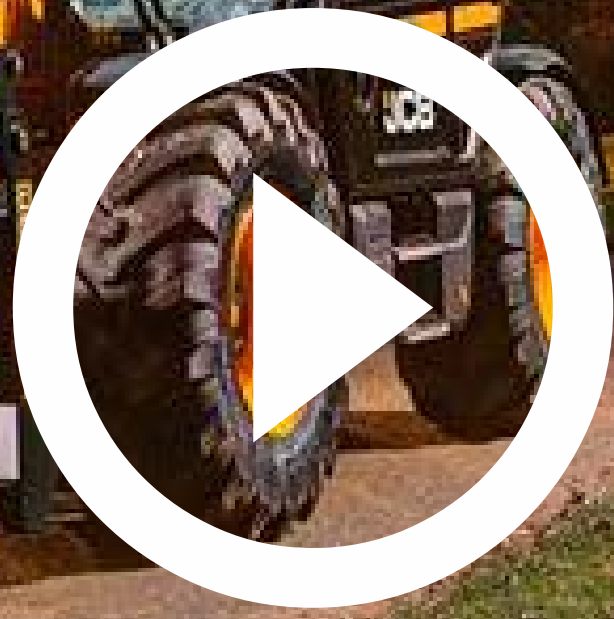

## STANDARD FEATURES.

- New JCB DieselMAX Stage V compliant engine
- CommandPlus Cab
- Powershift and DualTech Variable Transmissions
- 40kph across the Agri Range
- Front / rear hydraulic auxiliary
- Smart hydraulics
- Up to 11 LED worklights
- European tractor homologated
